THE CONSTITUTION OF KENYA

EXECUTIVE ORDER NO. 1 of 2025

ORGANIZATION *of* THE GOVERNMENT OF THE REPUBLIC OF KENYA

Recitals.,

WHEREAS, Article 132 of the Constitution vests in the Head of State and Government the authority to:
"direct and co-ordinate the functions of Ministries and Government Departments";

WHEREAS, In furtherance of this constitutional mandate, I issued **Executive Order No. 2 of 2023** on the Organization of Government of the Republic of Kenya, setting out, *inter alia*, the respective portfolio responsibilities of Ministries and State Departments;

WHEREAS, The broad-based Government is implementing the Fourth Medium Term Plan (**MTP IV**) of Kenya's economic blueprint, Vision 2030, as part of the revitalised Plan espoused as the **Bottom-Up Economic Transformation Agenda (BETA)**;

WHEREAS, It has become necessary to revise the aforementioned Executive Order so as to embed operational enhancements and functional realignments in Government;

WHEREAS, The changes hereinafter seek, in part, to fortify the State's co-ordination of interventions aimed at promoting constitutionalism and safeguarding human rights through the establishment of a **State Department for Justice, Human Rights, and Constitutional Affairs**;

WHEREAS, The principles of public finance management require prudent and responsible stewardship of public resources, and in fulfilment of this constitutional imperative to allocate such resources effectively, there is compelling public interest to elevate the Public Investments portfolio within the National Treasury to a fully-fledged State Department;

WHEREAS, The elevation of the Directorate of Public Investments to a fully-fledged **State Department for Public Investments and Assets Management** is intended to optimise the utilisation of public assets and enhance the operational and financial performance of State Corporations, in line with the Administration's commitment to reform and revitalize the public sector;

WHEREAS, The functional realignments also include the establishment of new State Departments focused on fully harnessing the potential in the new frontiers of growth and repositioning them as catalysts to spur development through **science, applied research and innovation, and aviation**; while also enhancing the Government's responsiveness to evolving challenges affecting the family as the basic unit of society, particularly through interventions targeting the **improvement of the welfare of children**;

WHEREAS, The changes further seek to reorient the co-ordination framework for National Government performance management through a **revitalized framework for National Government Co-ordination** as well as a strengthened framework for disaster and emergency response through a dedicated **State Department for Special Programmes**;

WHEREAS, In omnibus, the reforms are intended to **enable Ministries, State Departments, State Agencies, and the Foreign Service** to optimise institutional performance and elevate standards of public service delivery, in keeping with the Administration's revitalised agenda; and

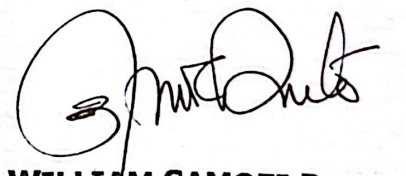

WHEREAS, The public entities earmarked for corporate action by way of merger, dissolution, restructuring or declassification remain listed in the Order as going concerns, solely to facilitate the implementation of the institutional reforms approved by Cabinet as notified *vide* **Issue No. 1. of 2025 of the Cabinet Despatch**;

NOW THEREFORE, I, WILLIAM SAMOEI RUTO, President and Commander-in-Chief of the Kenya Defence Forces, by the authority vested in me by the Constitution and other Laws of the Republic of Kenya, do hereby **ORDER AND DIRECT**:

- I. **THAT** the Government of Kenya shall be organized as set out in this Executive Order;
